## Mvskoke Waters Gallery

500 RIVERWALK TERRACE, SUITE 115, JENKS, OK 74037

**Operating Hours for Mvskoke Waters Gallery**

Tuesday-Saturday 10 AM - 6 PM

Join the Culture and Humanities Department with partnership from the Mvskoke Waters Gallery for a community art project commemorating the meaning of language. Visit the gallery throughout the month of November to color a tile!

Reflect on "***What does language mean to you?***" and choose a tile featuring a corresponding Mvskoke/Yuchi word to color. Throughout the month, these tiles will come together to create a shared artwork celebrating our language, stories, and community.

*At the end of the month, we'll share a photo of the completed community tile mosaic.*
